

Earth - Heritage From
Future
Erasmus+
Youth Exchange

Bulgaria, Czechia, Latvia,
Spain, Turkey

19 July - 28 July 2017

Zonguldak / Turkey

Dear Partners,

We are very glad to inform you that our project has been approved by Turkish National Agency. We are very happy to realize this project together with you and once again thank you for your support and cooperation.

In this Info Pack, you may find some general information about the project and about the preparation process. Before the project starts, you will receive one more Info Pack about the logistic information regarding the accommodation, food and local transportation of the project.

Please do not hesitate for any question or suggestion.

We would be happy to hear your opinions

Kind Regards

ABOUT THE PROJECT

PROGRAMME	ERASMUS PLUS
SUB PROGRAMME	KEY ACTION 1 YOUTH EXCHANGE
VENUE	Zonguldak, TURKEY
ACTIVITY DATES	19 July – 28 July 2017
PARTNERS	Bulgaria, Czechia, Latvia, Spain, Turkey
PARTICIPANTS	7 PARTICIPANTS + 1 GROUP LEADER FROM EACH ORGANISATION

The project named Earth: Heritage From Future is a youth exchange project under Erasmus +. The project will take place in Zonguldak / TURKEY between 19 July 2017 and 28 July 2017. Partner countries of the project are Turkey as hosting country, Bulgaria, Czech Republic, Latvia, Spain. There will be 40 young people in the project. The participants of the project are going to create their own art pieces with the materials that are found on the streets and in the rubbish bins. Besides, the participants are going to prepare banners about the most 10 dangerous waste on the world. And participants will have the chance to get more information about the cultures and traditions of the partner countries. The activities of the project will be carried by following the non-formal learning methods. Peer education is going to be also one of our tools while implementing the project. We hope that the outcomes of the project are going to create an awareness among people about clean nature and its future.

The project objectives are like:

- To create common understanding between young people
- To enable the participants have experience on social skills topics
- To raise awareness about nature between target group of the project
- To implement an international activity for the youth in our city
- To improve participant's working skills in a team and in an international atmosphere.

- Please bring warm clothes as well. The climate can change easily. Temperature difference between day and night is high.

Accommodation

The project participants are going to stay in a very secure place. The name of the place is “Zonguldak KYK Yurtları”, which is located close to the sea. Project participants will have a permission to stay there during the project. The rooms will be for 4 people. Room allocations are going to be organized after we have certain information about gender balance of the group.

Zonguldak is located on north part of Turkey, has a cost to Black Sea.

The population of city is 213.000 (2012).

Prices are very cheap comparing to big cities like Istanbul and Ankara. Supermarkets are open till 22:00.

The accommodation place is a dorm belongs to state which is in a very nice location and has security 24 hours.
