Breakfast

Energizer

Every day another country is responsible to organize an energizer before we start with the activities.

Teamwork (whole group)

Wall of children's rights

Together the whole group will allocate all the children's rights of the "Convention of the rights of the Child" short SRC to one of the four principles: Right of equal treatment, wellbeing of the child has priority, the right to life and development, respect for the opinions of children. Leaders will prepare small pieces of paper with one children's right written on it.

Each group of two participants pulls one paper and collects some information about this law.

Lunch Break

Continuation: Each group presents the right to the whole group, altogether we decide which of the four principles this law fits best.
