PARTICIPANTS GUIDE

Dear friends,

As you were informed, our Training course “[Problem? Let's Solve it!](#)” was granted by the Czech National Agency. The project will be held between 23st and 30th June 2013 in Lednice and we are pleased that your organization decided to become one of our partners. Hereby we send you a brief [Participants guide](#) that will help you with whatever you will need during your stay in the Czech Republic.

In the included Infopack you will find the application form with brief information about you so please fill it and send it back to us. This information will help us to better prepare our project.

It is compulsory for all participants to have travel insurance covering the duration of your stay in the Czech Republic, including the days of your arrival and departure. If you have any special needs (such as allergies, diets, etc.) let us know and concerning the Turkish group please inform us how many of you eat pork and drink alcohol. We need to arrange the food etc. in advance and it might be a problem to solve your special needs if you don't tell us about them until you arrive to the Czech Republic.

From 1st May 2013, you can start buying the train, plane or bus tickets to get to the venue of the project. Attention - we won't be able refund any expenses made before this date! Your travel ticket must be also maximum two days before and two days after our project. If you decide to stay longer we will not be able to refund your ticket. We kindly ask you to choose the most economical and eco-friendly way of transport (e.g. APEX or student fares for flight tickets, cheap airlines, 2nd class trains). If it is possible for you, please check the prices for flight tickets to both Prague and Vienna airport. Also be aware of your travel cost limitation. We reimburse the travel cost ONLY up to the limit designated for your country.. The best way for cooperation is send us your travel plan before booking for our approval so

please send us your choosing ticket before booking for final confirmation if it's OK for reimbursement. We will reimburse only those tickets that will show the currency, dates of your travel, places you are travelling from/to and your name (or number of passengers). Keep all your tickets (also from your local buses and trains).

OVERSTAY: If you decide to stay in the Czech Republic after our project you can prolong your stay by maximum **ONE extra day**. We talked to our National Agency and unfortunately, they do not allow the participants to stay longer than one day. If you stay longer than one day, we will NOT BE ABLE to reimburse 70% of your travel costs.

In the attachment you will find the [Travel guide](#) that will help you to find the best travel connection to the project venue. When you have booked your tickets, we need you to send us your travel details (date, hour, cost, flight number, flight company...) including the additional transport to Břeclav from the airport. If you have the electronic flight tickets, please send them too. Please, include estimated time of arrival to Břeclav train station.

Please send us your participants list and travel details including copy of your booked flight ticket or bus/train ticket no later than [20th May 2013!](#)
