

# CreaACT- Ment

24/02-03/03/2017  
IZMIR, TURKEY

Erasmus+

## About the Project:

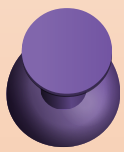

As part of Erasmus+ Youth Programme, Key Action 1, our training course will bring together 24 youth workers around a number of activities. This 8 day project will take place in Izmir, Turkey between 24 February-3 March 2017.

The main objective of the project is to raise awareness for creativity and project management under the framework of intercultural dialogue. Developing important knowledge, skills, and attitude to organize creative international projects will be the priority purpose. The project also aims to empower young people to develop strategy for their own organizations/projects. In order to broaden participants' mind, innovative examples and best experiences among the participants will be shared.

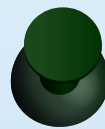

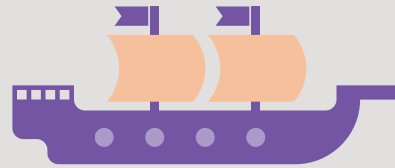

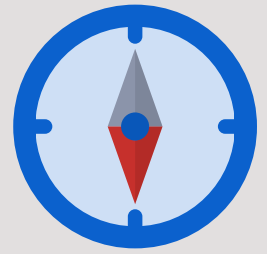

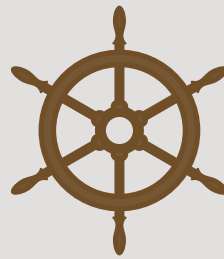

During the project, the participants will have the opportunity to

- Discover the creativity in project management
- Practice on crisis management
- Improve their skills to utilize limited resources in a creative way
- Work as a team
- Discover new ways to overcome the difficulties in managing European Projects.

### Aim:

To help youth workers to be more aware of the creative approach in project creation process and project management.

### Methodology:

- Group work
- Workshops
- Outdoor Activities
- Energizer&Team Building Activities
- Case Study
- Sharing Experiences

### Certification:

All participants will receive a Youthpass, as a main tool of recognition, visualization and validation of learning outcomes of Erasmus+ programme

# About Yasar University:

Yasar University was founded in 2001 in Izmir by the Selçuk Yaşar Education and Sports Foundation for the purposes of educating people equipped with the skills of design and project consciousness, sensitive to human and science, possessing ethics and moral values, enterprising and integrated with the sense of aesthetics and research spirit.

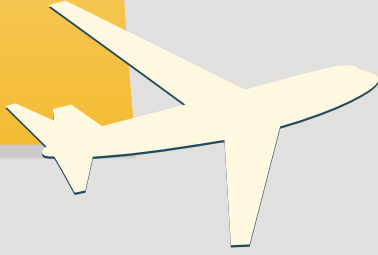

Through European Union Research Centre, Yasar University has been ranked amongst the Turkish foundation universities as one of the most active beneficiaries in academic and student mobility exchanges and projects with European Universities and institutions under the framework of European Union Programmes.

By organizing periodic trainings on project cycle management, preparing and performing projects under Erasmus+ and other EU funds; Yasar University European Union Research Center both helps to the development of project consciousness and also contributes to increasing project quality and Turkey's share in using EU funds. Currently, Yasar University runs several EU projects including international researches, summer schools, training programmes and e-learning programmes. Yasar University was an active Life Learning Programme and Youth in Action programme beneficiary and continues to participate in Erasmus+ Programme's different units successfully.
