

**“DWS project”**  
**Erasmus+ Key Action 1 project**

**Project target**

The objective of this Key Action 1 project is to provide our young participants with a forum for discussing motivations, feelings and reasons regarding social life, family patterns, social norms, mannerisms and traditions, etc. in order to find methods of interaction that is not only determined by whether or not you drink alcohol. We focus normatively on methods of promoting interaction and individual/group mobilization with and without alcohol present in order to prevent social stigmatisation in local and global communities.

**Educational content preparation**

All participants in this project are part of abovementioned process and we hope that every organisation will be able to present own ideas of drinking with sense. Therefore it is mandatory to think about ideas of drinking culture.

### **Travel reimbursement grants**

As some participants will find cheaper tickets than the available grant, we will (within reason) be able to reimburse potentially more expensive tickets for other participants.

Organisation (country)	Amount limit
Aege Leon ( <i>Spain</i> )	170 EURO
WalkTogether ( <i>Bulgaria</i> )	170 EURO
EYCB ( <i>Czech Republic</i> )	170 EURO
Enas ( <i>Croatia</i> )	170 EURO
InProgress ( <i>Italy</i> )	170 EURO
Sztukater Association ( <i>Poland</i> )	170 EURO
SocialUp ( <i>Slovakia</i> )	170 EURO

**IMPORTANT:** Please obtain and keep

- original invoice
- original tickets of flight/ train or bus
- original boarding passes (the slip).

The reimbursement of travel costs will be done by bank transfer to the partner organisations only after we have received all travel documents in original form and after the project has officially ended. Travels not adequately reported cannot be reimbursed.

**Insurance**

All the participants **MUST** have travel insurance covering the entire activity week.

**Healthcare**

We strongly advise all of our partners to ensure that their members obtain a European Health Insurance Card.

**Intercultural evenings**

During the project we will have several intercultural evenings. We therefore expect each partner organisation to plan a partner/ country specific PowerPoint or other type of presentation (feel free to be creative ☺) in English to show to the rest of the group. **Length: 15 minutes MAX.**

We encourage the participants to present traditional, typical, local dishes; drinks; games; music; dances or whatever you find relevant in order to give the rest of us an 'insight tour' of your country, national identity and culture.

**IMPORTANT:** The preparation must be done in advance and we will not be able to buy presentation items for you, so you need to bring your own.

**Code of conduct**

CYN has established a thorough set of rules of interaction that MUST be followed. We will send these rules to the organisation contact persons via e-mail and to all confirmed participants via our project specific Facebook group.

**Project staff**

Copenhagen Youth Network will always be present with at least 2 representatives during the activity week. Among them are

- Mr Marc Wacker (Chairman)
- Mr Heresh Faraidon (Project Manager)
- Mr. Thomas Jørgensen (Project Training Facilitator)
- Mrs Mette Seier Helms (Project Training Facilitator assistant)
- Mr Safin Ayob (Project Coordinator).
- CYN Volunteers

In addition to the official CYN project staff, there will be volunteers + external guest speakers for lectures and workshops.

**Climate**

The summer period in Denmark is, in our humble opinion, amazing. Still, we encourage you to check the weather forecast for Copenhagen and or Stenløse in that time period. Pack light but bright ☺.

**Activity week programme**

In the beginning of May, we will send the activity schedule to the organisation contact persons via e-mail and to all confirmed participants via our project specific Facebook group.

***IMPORTANT:*** If you have any suggestions for content (own presentations, games, social events, relevant films or other) besides the mandatory, please inform us and we will consider the possibilities.

**Registration form**

## **Communication**

We have created an official project Facebook page, where all participants can communicate with each other and us regarding the project.
