

## **CREACTIVE LYCIAN YOUTH PROJECT**

### **Youth Mobility Project by LYCIAN PATHFINDERS + 5 Partners**

Creative Lycian Youth Project is a Youth Mobility Project to be organized between the dates of 21st April- 4th May 2016 (13 nights, 14 days) by Lycian Pathfinders ([lycianpathfinders.org](http://lycianpathfinders.org)) and 5 Partners. There are two Project Bases Demre and Kas and we are going to have 3-4 days of trekking & camping between Demre and Kas (Antalya) as an indispensable part of project activities.

### **PROJECT OBJECTIVES**

**Creative Lycian Youth (CLY) Project** is related with "encouraging the participation of young people in democratic life in Europe" as stated in the Lisbon Treaty. CLY Project primarily targeting to make a contribution to increase Youth's active and sufficient participation at social and democratic life at national and European levels. The Objectives of project are:

- 1- Supporting young people to recognize the natural/usual links between social life and democratic life especially by means of sport and cultural activities.
- 2- Increasing the young people's sense of belonging to EU values/EU citizenship and supporting them to increase their will to be participatory for the future of their societies.
- 3- Improving young people's self-confidence and competences in order to foster them to have a voice and to speak with their own words for the terms of Democracy, Citizenship, EU Citizenship and Active Participation.

### **PARTNERS & PARTICIPANTS**

The Project includes 6 partners with 31 participants from different cultures. Austria, Czech Republic, Italy, Lithuania, Slovakia and Turkey are going to participate. All teams should include 1 leader (no age limit) + 4 participants. Participants should be between 19-29 years old and gender balance should be considered in the teams.

Each partner should include at least 1 participant who knows to the first aid and can co-operate with our sport trainer for the morning sport sessions. Participants' active participation and contributions to project activities is highly appreciated ☺

We are going to be camping in Demre (3-4 days) in a camping site (wc + shower facilities). Breakfast, lunch and dinner are going to be served from the facility. For 3 nights and 4 days we are going to be trekking from Demre to Kas via Lycian Way Paths (daily 18-24km) divided into 4-5 groups with certain project tasks.

## Trekking & Camping Equipments

For the camping and trekking activities we are asking each participant to provide their own sleeping bags (comfort zone -5C) & mats; and each partner to provide at least 1 tent (with rain cover) and 4 backpacks, 2 torch/head lamps, 1 camp stove & cartridges. We might ask for a contribution of 8-10€ in order to provide all tents (or other equipments) from Turkey and later these tents, equipments will be served for free and collectively for similar events like our project. Proper trekking shoes is also a must for each participant. + Sun cream & fly-repellent.

## PROJECT SCHEDULE & ACTIVITIES

### Activities

**All project activities are to be organized with active participation of all participants and by the support of non-formal education methodologies.**

Partners should provide 2 members for Board of Directors (BoD) which is primarily responsible for designing and updating the project activities.

There is wide range of project activities: Energizers, name games, sport sessions (stretching), team building activities, debating, survey (preparing & implementing), workshops and of course trekking & camping. This trekking & camping activity is not only a leisure activity but including certain tasks that unite responsibility and joy and also related with project objectives ☺

For activities & schedule details you might visit this link: [http://creativelycianyouth.blogspot.com.tr/2015\\_12\\_01\\_archive.html](http://creativelycianyouth.blogspot.com.tr/2015_12_01_archive.html) **But please do keep in mind that these activities are to be updated and changed by suggestions from Board of Directors and all other participants.**

### Board of Directors

Board of Directors (BoD) is to be established by members from different partners. We plan to include at least 7-8 participants from partners. The general profile of the members is going to be different such as including (i) trainers (ii) facilitators or (iii) eager but less experienced participants about non-formal education methodologies.

**Board of Directors (BoD) is primarily responsible for designing activities and will be voted by all participants -at the end of the project- in order to measure their success level. Board of Directors is also responsible for creating opportunities for participants to make them feature for designing the activities and actively participating in. Participants will be assisting to BoD members so that the voting will also consist of their own evaluation.**

Designing or updating project activities is not only allocated to Board of Directors! And each participant will have roles for assisting the Members of BoD for certain activities. %40-50 of the activities have been designed by Lycian Pathfinders (in co-operation with partners) but open for suggestions and changes. Moreover, each participant have possibility to suggest or critic different variety of activities from energizers to main activities. There are possibilities for the activities that might be suggested by participants.

## **ABOUT PROJECT EXPENSES**

**( Accommodation, Meals and Travel Costs )**
