

# Effective Communication for You(th)!

## INFOPACK

Radava, Nové Zámky

23.-31.8.2019

---

## Project description

---

A project **Effective Communication Tools for You(th)** is a mobility of youth workers aimed on development of communication and interpersonal competences of 30 youth workers, educators, teachers and project managers from 14 European countries.

The project will take place in **Radava, Slovakia** in dates of **23<sup>rd</sup> - 31<sup>st</sup> of August 2019**. The aim of the project is to share best practices in communication among youth NGOs in Europe and thus to empower participating organisations and their communities with more professional workers. Training course is composed around themes such as communication skills, assertiveness, manipulation, online communication tools and fighting against xenophobia and radicalisation in our society. Activities are implemented by non-formal education methods such as workshops, games, discussions, role plays, presentations and others.

---

## Objectives

---

- ❖ Participants will understand and adapt practical methods and techniques of non-verbal communication (body language), assertiveness, manipulation in communication, communication in stress situations and will be able to use them in real life.
- ❖ Participants will understand roles and different approaches of various online communication channels and tools.
- ❖ To develop cooperation with partner organisations and to enhance creation of future common project ideas.
- ❖ To promote Erasmus+ program and non-formal education as a great opportunity to foster & internationalize open communication in Europe, to support intercultural dialogue and eliminate hate speech.

---

Please, before buying any tickets, consult your travel options with us!

---

## *PBA - Partnership Building Activity:*

---

Part of the training is devoted to networking activity called PBA – building on partnerships and finding common cooperation ideas for the future.

Please keep this fact in mind when preparing selected participants. They should be well oriented in your organization policy and activities (goals, vision, mission, core activities, target group, organizational culture, perception of youth work & development, plans for future projects / strategic partnerships).
