Description of Activity 3

Evaluation will be implemented in Balıkesir, Turkey and will last 4 days starting from 23rd till 27th of November 2017.

What we want to achieve with Activity 3 is to evaluate everything we've achieved in previous activities of this project. On the first day we will meet each other, on the second day we will have Presentation of the approved and realised projects in period between the first two projects and the evaluation meeting On the third day we will continue the session from the second day,

Applicant organization: European Centre for Ecology from Serbia

Partner countries:

Italy, Turkey, Macedonia, Albania, Czech Republic, Greece, Romania

Period of realization: 23 – 27. November 2017.

Location: Balıkesir, Turkey

Working language:

English – all participants must be able to actively communicate using English language

Funding:

100% for accommodation and food will be covered and travel cost (maximum amount see down). There is no participation fee!

Meeting point:

Balıkesir is a province in mid western Turkey, having coastlines on both the Sea of Marmara and the Aegean. The population of the city center is 350.000. Its neighbour provinces are Çanakkale to the west, İzmir to the southwest, Manisa to the south, Kütahya to the southeast, and Bursa to the east. Most of the province lies in the Marmara Region except the southern parts of Bigadiç, Kepsut, İvrindi, Savaştepe and Sındırgı districts and ones of Ayvalık, Burhaniye, Edemit, Dursunbey, Gömeç and Havran, that bound the Aegean Region. Balıkesir is famous for its olives, thermal spas, and clean beaches, making it an important tourist destination.

HOW TO REACH

Even you have 3 options, I recommend you to fly Istanbul –Atatürk Airport. While at the airport, you can/should exchange some currency. **Currency:** Turkish national currency named Turkish Lira (TL) and the exchange rate approximately **1 € = (around) 4TL**. We recommend you to exchange just about 30 EUR. You might exchange the rest of your money here in Balıkesir because you can get a better rate here compared to the airport. You should have some Turkish Lira with you because most places don't accept Euro.

1 - From **Sabiha Gökçen Airport-Istanbul**, it is a bit difficult to find the bus (**please not try to use this option**). So you have to ask to “Metro Turizm Samandıra Tesisleri”. The best way to go to “Metro Turizm Samandıra Tesisleri” is by using taxi. It takes 15 minutes to go there and it is around 30-40TL (10 Euro). Then you can take a bus to Balıkesir.

2 - From İzmir (Adnan Menderes Airport):

You should take a bus (line 204) to go to İzmir Bus Station. When you are in the Bus Station (Otogar), the recommended-best choice company is **Pamukkale, Balıkesir Uludağ, Kamil Koç and Metro Turizm**. Because there is a direct bus from İzmir to Akçay. (And the price is 30-35TL).

It takes around 4-5 hours by bus. (if you have a direct flight to İzmir it is OK...otherwise I will NOT recommend this option, if you select this one please just ask me!!!! then buy your tickets)

TRAINERS

Nebojša Nick Đerić – experienced SALTO trainer

Well experienced Salto trainer of non-formal education and youth worker actively involved in NGO sector from 1995. As a creator of projects, project coordinator, youth worker, educator/facilitator he has participated on many different local, national and international youth projects that are related with youth work and human rights. From 2000 as a trainer completely devoted to non-formal education using Youth Programme. Nick is open-minded, friendly, communicative, positive, tolerant and ready to implement/experiment on new methods (connected to techniques of animations and methods used in theatre) in order to animate people to get actively involved in workshops and training activities. As a trainer/facilitator he has a good interaction with groups of participants, very flexible/adaptable and capable of noticing their needs and able to manage and recognize processes in the group as the training unfolds. Thanks to his occupation and willingness to work with youth, to devotedness and activities in youth work, thanks to created and approved projects from Youth in Action Programme, as a trainer/educator Nick has worked with young people from the whole Europe and the world. Nick travelled a lot, had a cooperation with many youth NGO and he is still active in improving skills, knowledge and experiences as a trainer working in different countries: Serbia, Kosovo, England, Austria, Romania, Sweden, Czech Republic, Hungary, Bulgaria, Macedonia, Bosnia & Herzegovina, Croatia, Turkey, Montenegro, Poland, Netherlands, Northern Ireland, Spain, France, Lithuania, Germany...
