The detailed program of activities will be finalized by the middle of May.

### How to reach Marina Serra?

Marina Serra is a seaside Village of the Municipality of Tricase <https://www.e-borghi.com/en/village/432/Lecce/tricase>

There are no public means of transports to reach Marina Serra.

So you could use the train from Lecce to Tricase (tickets in the train station in Lecce) and we will arrange some transfers to the hotel for you.

### How to reach Lecce?

You could land in one of the 2 Airports of the Region:

- Brindisi Airport (closest airport): bus from the Airport to Lecce City Terminal (Bus station) <http://www.eliostours.it/ita/pagina.asp?id=136>. Tickets can be brought on the bus for 6,50 euro.

Europe

- Bari Airport: train to Bari Central Station (very often) and from Bari Central Station to Lecce (every 20-30 minutes). Tickets can be brought in the Station.

Please consider that the whole trip from Brindisi Airport to Tricase (airport shuttle to Lecce + walking to the train station + train to Tricase) could take approximately 4-5 hrs, if you are lucky and you catch the means just in time and it could cost a total of about 15 euro.

From Bari you must consider 1-2 hrs more and about 40 euro.

Costs of the trains vary according to departure time and type of train.

Unfortunately, public transports are not very reliable in this area. What is more if you arrive late in the evening or you depart early in the morning, it could be really difficult to reach Tricase or the hotel.

→ *In order to help you, we could rent a 9 seats minivan and come to pick you in groups of 7-8 people from Brindisi Airport for 25 euro per person each way, and Lecce Train Station (for those who land in Bari) for 20 euro per person each way, just to cover the car rental cost and the petrol.*

*In this way, you will be in the hotel in 50 minutes.*

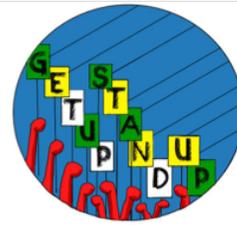

## Travel costs

Reimbursement up to 275 per participant will be provided in 2 tranches by Fattoria Pugliese Diffusa (FPD):

- 1- 50% after the end of the TC, by presenting the supporting documents (tickets, boarding passes). Please check the rules of Erasmus+ for TC.
- 2- 50% after the end of the project, when the beneficiary (YEU Cyprus) will transfer the final payment of the remaining 50% to FPD.
