You can see here the accommodation: <http://www.moulindebouydou.org/en/>

#### **How to come:**

If you come by plane, the closer airport is **Toulouse Airport** (also name Blagnac).

When you arrived in the airport, you have to look for a bus stop on the big parking place, where you can take the bus **66** in direction of **Toulouse-Saint-Cyprien -République**.(around 20 minutes journey)

There is also a bus shuttle, which goes to the center of the town, but it is expensive while the bus **66** is a city bus, so the ticket costs only 1.60euro and you can take the subway with the same ticket afterwards.

You have to get down the bus at **Saint Cyprien-République** (it's the last station, easy 😊) where you will find a subway station of the same name.

You go down the subway station, and take the **métro A** (the red line) in direction of **Balma-Gramont**. (around 10 minutes journey)

You have to get down the subway at **Marengo-sncf** (*sncf* is the acronym for our national train firm).

There you'll have to take the **bus 59** (in the bus station, just near the train station), in direction of **Montesquieu-Volvestre** and get down at Montesquieu-Volvestre (*around 1h30 journey*).

Don't forget to buy your bus ticket and ask for a receive.

At Montesquieu, someone will be there waiting for you.

There is two buses in the day:

- **One leaving Toulouse at 12:50**
- **One leaving Toulouse at 17:15**

If your plane/train arrived after the last bus, you can take a train (in the same train station) to reach **Carbonne** (don't forget to get down the train at Carbonne city), someone will get you at the train station on this schedule:

- **The train leaving Toulouse at 20:40.**

**Don't forget to take a receipt when you buy a transport ticket (there is no price on the subway/bus tickets) and to keep them all.**

### **What to bring:**

In order to prepare your special cultural meal, you have to bring **special ingredients** that we won't be able to find here. We'll pay you back these ingredients in the limit of 40 euros. For the other ingredients you'll need but that I can find here, you should send me a list by email as soon as you know what your group will prepare.

The place where the Training Course will take place is a beautiful one, but you have to be aware that the accommodation is rustic, that we are quite far from big shops, there is no WIFI, and also that, even if I'll pray a lot against this, it can always be rainy here so... be sure to bring **good shoes to walk in the mud, appropriate clothes to practice physical activities and manual work, clothes against the rain**, and enough clothes to change in case you're wet, but also summer clothes because when it does not rain it's usually quite hot ! We have enough sleeping bags and bedcovers here, but if you have a good sleeping bag that you like and enough place to bring it, it's fine.

### **What to prepare:**

Each country group will have to organize a **cultural evening**, where you will have to present some **elements of your culture**, in any way you want (sketch, songs, presentation, game...), and if possible somehow linked with the topic of this TC, and **cook the meal for the evening** (every meals will be prepared by ourselves, groups of 4 or 5 people changing every day). The meal has to be a **simple** one because you will have around **2 hours to cook it**.

You may also read some documents and take interest in:

- issues about integration in your country and in Europe.
- Law to fight discrimination in your country
- Action / organization really active on this questions

You're not compelled to do that but it would surely enrich the exchanges!

### **IF YOU WANT TO STAY LONGER:**

If you arrived one or two day before (on the 14<sup>th</sup> or the 15<sup>th</sup>) or if you go back one or two day after (on the 27<sup>th</sup> or the 28<sup>th</sup>), you will have to find a place to stay. You can go to Toulouse to visit the city or in another place. To find a place to stay you can use the website: <https://www.couchsurfing.org/>.

People will be welcoming you on their place. There is also a youth hostel in Toulouse:

<http://www.lapetiteaubergedesaintsernin.com/?lang=en>

The night is around 20€.

If you have difficulties to find a place, you can contact us; we will help you with it.
