## THE VENUE - ALICANTE

Alicante is a port city on Spain's southeastern Costa Blanca, and the capital of the Alicante province. Its old town, Barrio de la Santa Cruz, has narrow streets, colored houses and a nightlife scene. From here, an elevator or a steep climb leads to medieval Castillo de Santa Bárbara, set on a hilltop with sweeping views of the Mediterranean coast.

# HOW TO REACH ALICANTE?

Airport of Alicante/Elx. This is the best option according to distance. It has direct connection with the city of Alicante with public bus.

Aiport of Valencia. This is the second best option regarding distance. It's located 155 km away from Alicante but the city of Valencia and Alicante have good connections by train, bus and carpool. You have to count 1:35 min by car to Alicante. Prices varies a lot depending what kind of transportation you use. Lately the cheapest is to go by bus (around 20 € round trip), you can use this website to check availability:
