REIMBURSEMENT

Please keep all your tickets, boarding passes, invoices and any receipts (even if it does not seem important), do not throw away anything!

Hungarian means of transports (airport shuttle minibus, public transport to the city centre) can only be reimbursed if you have an invoice and the ticket as well. You can book your minibus return ticket (!) on-line for the name and address of MOSTart NKKE 2344 Dömsöd, Wesselényi utca 15. <http://www.minibud.hu/>. Taxi will not be reimbursed.

According to the Hungarian rules, all the companies are obliged to issue an invoice. Unfortunately not all the ticket officers speak in English, so better if you write down **ÁFÁS SZÁMLA** (= VAT invoice). Nyugta (Bill) is not equal with Számla. So if you see nyugta on the slip of paper you received, it will not be reimbursed. Then go back to the cashier and ask for SZÁMLA /Invoice. For all the tickets you buy in Hungary you should ask an invoice for the following name:

MOSTart NKKE 2344 Dömsöd, Wesselényi u. 15.
