

ABOUT THE PROJECT

Our international youth exchange "Youth has the right to want what it does not have and even what is impossible" will take place on 10-17.12.2018 in Poronin (just outside city of Zakopane, 70km from Kraków). We will gather 42 people from Poland, Slovakia, Czech Republic, Portugal, Romania, Lithuania. Each group is 6 youth (18-27) plus leader with no age limit. During the exchange we will use various tools and elements of art and culture to better understand each other. Together we have prepared interesting activities based on nonformal and informal education methods, such as games, integration activities, workshops, presentations, discussions, national evenings, etc. By full participation in these learning process we want to develop competences which will allow us to better understand the world around us, take smarter decisions and give valuable, positive input to our local communities, countries and whole Europe.

FINANCIAL CONDITIONS

Hotel, food and programme costs are covered by organisers. You might want to have some cash to buy a souvenir, local beer or sightseeing outside of schedule. We use PLN currency, it is easy to exchange euros. Card payments are accepted widely.

Transportation costs of all participants will be covered by project budget up to Erasmus + limits of transportation costs for particular partner countries (look below). Please mind that this limit in a very small amount should also cover local transport from airport/Kraków to hotel. Participants will have to buy their tickets from home to Kraków, Poland (nearest airport) and we will help with local transport to Poronin, unless you have a direct connection to Tarnów (for example by train). We will pay up to limits of transportation costs per country during project activities by cash or bank

transfer. Please plan your travel in advance and inform us. Please consult with us before purchasing your tickets! Please consult us if you need to use other transport than bus, train, plane! Please provide us with travel plan and preferences of participants at latest 2 weeks prior to the exchange so we can either coordinate common transport from Krakow for all participants or send you detailed guidelines how to get yourself from Kraków to hotel in Poronin (it's very easy – direct bus takes 1,5 hour). Programme on 1st and last day will be flexible so basically you can plan these days for travel (you can arrive early and do some sightseeing or you can arrive late and directly go to hotel).

Limits of transportation costs for partner countries (per person) are:

Portugal — 360 euro

Slovakia, Czech Republic – 180 euro

Don't forget to bring invoices of your tickets, since we can not reimburse anything without documentation. Boarding passes are also very important as well.

ACCOMODATION:

During the seminar we will host you in a very nice hotel → <http://austryjok.com/>

All costs related to accommodation, and food (3 meals per day “breakfast, lunch, dinner”) will be covered by project budget as well. All breakfasts will be served in the hotel, also most of other meals. Please send us information if you need special diet or have other health/food issues (vegan, allergic, etc) max 2 weeks before exchange. All rooms include bathroom and internet access. Please take personal cosmetics and towels with you. Please send us your preferences if you want to share a room or maybe you are couple, etc. so we can allocate best rooms for you. In general you will stay in 2/3/4 people rooms. A few minutes' walk from the hotel there is a shop if you need to buy something.

WHAT TO BRING

Comfortable clothes and shoes for workshops which we will organize indoors. In December it can be cold outside so please mind to take warm clothes and proper shoes when we go outside (for example go for mountains).

Small amounts of traditional food, drink, snack to share for your national evening activities. It would be nice to prepare some interesting presentations of your country. You can teach your songs, dances and games to all participants. Or organize anything else, one night is yours. You can use kitchen to prepare snacks if you need. We can also buy some small products if you need. We will have normal dinner each day so you don't have to cook dinner!

Tablets, smartphones, laptops, etc are very helpful, take if you can.

INSURANCE & HEALTH ISSUES

The participants are themselves responsible to get a travel insurance. We will provide accident insurance to all participants for the time of they stay in Poland (only project days). Please provide participant details at latest 2 weeks prior to seminar dates – otherwise we might not be able to include you in this insurance. Anyone who uses medicine should bring with themselves. We don't give any medicines and we don't cover extra insurance fees. Please take your (free) European health insurance card just in case you might need to visit a doctor here, otherwise most likely you'll need to pay.
