

Short description of the project

The project "CreARTive feelings" aims at integration of young people from different backgrounds and cultures of the European Union. We want to build bonds of friendship and understanding between young people, teach them mutual respect and tolerance, teach them how to openly express their views and opinions.

There will be 4 types of workshops: plein air painting, choir singing, photography, movie making. Artistic workshops will be connected with discussion about EU citizen identity.

Daily schedule

Daily we want to prepare energizers, ice-breaking games, sport activities and multicultural evening.

We want to prepare 3 meals a day (Breakfast 8:30 - 9:30, lunch 14:00-15:00 and dinner (about 19:00).

We will stay in a hotel with a high standard - "Sportowa Dolina" in Będzin - <http://csksportowadolina.pl/>

We need to know about vegetarians and lactose intolerance participants in your group. At APV your leaders get a survey for participants to complete and return by email.

DAY 1

arrival and accommodation of participants, inauguration of exchange activities, presentation of the programme and schedule.

DAY 2

Presentation on the exchange program "creARTive feelings" and rules prepared by the leaders of all the partner groups (mindstorm).

"Get to know each other" - The aim will be to know the participants in the exchange, they will be a game to get to know the names, common interests, "creARTive post" (participants will have its envelope, to which others can address your correspondence), etc.

Multicultural evening - QUIZ TIME - Partner organizations from different countries prepare short presentations related to the culture and traditions of their country. They may take the form of any. On one evening two countries are ready to perform an interactive presentation. Then organized "Multiqultural QUIZ time".
